**Subject : State of conservation of Old Town of Regensburg with
Stadtamhof, Germany**

Sir,

Thank you very much for your letter of 12 October 2006 and your concerns for the process of the evaluation of the state of conservation of the Old Town of Regensburg with Stadtamhof, inscribed on the World Heritage List in July 2006.

I would inform you that all letters from the World Heritage Centre are exclusively addressed to ICOMOS **International** and to the National Authorities for comments and review. We have not heard anything from ICOMOS nor the State Party following our transmission letter dated 31 August 2006.

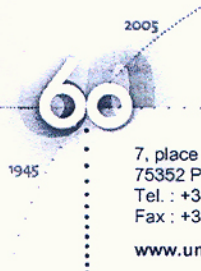

Please note that the visit of Mr Petzet and Mr Marano to Regensburg with the Mayor is not related to any official activities under the World Heritage Convention (articles 8.3 and 14.2, available on our website <http://whc.unesco.org/en/conventiontext/>), but to a private visit of national ICOMOS members.

I am transmitting this letter to the Permanent Delegation of Germany to UNESCO and to the Advisory Body of the Convention ICOMOS for information and clarification.

I would like to thank you for your interest in the safeguarding of World Heritage.

Yours sincerely,

Francesco Bandarin
